Keeping Up - - With Uplanders

By V. V. P.

A WONDERFUL FEELING

It happens almost every time to every resident of the Upland district who travels very far outside his community. He has the feeling "It's great to be back home." We know of that feeling and we know there is no place like home; like the happy routine of one's normal work habits and of being in familiar surroundings.

Along the Pacific coast and across the nation are many beautiful communities and many interesting and unusual places but Upland ranks tops as a place in which to live. Good people make it that way.

DAYLIGHT SAVING TIME

Pete Benton thinks daylight saving time is good—as far as it goes. "Why not go a step further and set the clocks back an hour in the winter time and take advantage of the early-morning daylight?" he asks. "By the time night comes, I have to turn on my lights. That would not be necessary if we could take advantage of the early hours."

POLICE TICKETS

We got a ticket the other day for "failure to observe a boulevard stop sign."

Failure to stop for an important highway intersection is one of the most flagrant of all possible traffic law violations. And we are glad we got the ticket and we told the arresting officer how nicely he handled the situation.

We are not kidding when we say we are glad we got the ticket. Somehow, it is a very forceful reminder to a driver, regardless of how good and careful he thinks he is. Because of this citation, believe me, we are going to be more observing. We are very sure no car was within visible distance of the intersecting street when we allegedly failed to make a boulevard stop. Nevertheless, it was a violation and we are going to be more cautious.

Keep it up officers. All of us need reminders.

MAKING A LAWN?

Want to know how to develop a new lawn? Ernest Gibson, 803 North Euclid avenue, can give some pointers. At least, he ought to be in a good position for offering plenty of advice. Soon after he occupied his very attractive new house a few months ago, he carefully screened the soil and gave the preparation very personal attention for days.

A beautiful carpet of green appeared in due time. Then, something happened. The grass turned yellow. And so Mr. Gibson started tearing up the lawn. He is now starting the process over. We are watching him and awaiting his formula. He can really speak from experience—after he gets a good lawn.

SAYING GOODBYE

It must be a rather sad day for Mr. and Mrs. A. L. Palis as they leave Upland this morning to make their home in Los Angeles. They were married here, their two children were born here and for more than 50 years they have lived among us. They saw the community when it was almost at the beginning. They have prospered in business through the years as they loyally and efficiently served so many. In retirement for 15 years, they have enjoyed the pleasures of mingled with friends and townspeople.

Toady is the end of an era for them and the beginning of a new one.

In Los Angeles, they will be be near their two children but away from the scenes that have been so familiar for so many years. While they have chosen to make the change, they no doubt are leaving with mixed feelings. Uplanders won't forget them—and we don't believe they will forget Upland.

AMBITION

On one of our hottest days on our recent trip to the northwest, we felt sorry for a fellow shoveling dirt. The dust was flying and he was dripping wet with perspiration.

"Poor guy," we muttered sympathetically, "why doesn't he take it easy until it is cooler."

Then we noticed he was making a ditch for water from a new well. The well driller was nearby and it appeared the first water had just come from the well.

"That's what ambition does for a guy," we continued our muttering. "He has great hopes for crops and big things—and the heat means nothing to him."

IKE'S LIFE IN BOOK

Dr. C. W. Chamberlain of Oceanside is writing a book about the life of President Dwight Eisenhower and he was in Upland recently getting incidents on the president's local relatives. His aged aunt died here last fall.

While here, the author, who is former head of the Illinois state department of health, visited Mr. and Mrs. E. J. Broyles, who cared for Ike's aunt, Jesse Haldeman and his sister, Mrs. John Cook, and Mrs. Martha Bowers, cousins of the president, the Rev. Alvin Burkholder and Mrs. Lillian Hilde.

Tentative title of the book is the "President's First 21 Years!"

Launch Drive October 17

Community Chest In Fund Campaign

Upland Community chest will launch its annual fund raising campaign Oct. 17, seeking money to support a $9,996.50 budget benefitting nine local agencies, it was announced today by Jack Atwood, general chairman for the 1953 fund drive.

Committee chairmen spearheading the fund drive were appointed by Mr. Atwood and announced this week. Mrs. John E. Skewis, 886 North First avenue, will chairman door-to-door soliciting, Bernard Naftel, West Twenty-third street, will be in charge of canvassing business houses, and Dr. Kenward O. Babcock, 172 East D. street, is chairman of the industrial solicitations. Dr. Robert A. Swenson is publicity chairman.

Distribute Information

This Saturday 3,000 Community chest information cards will be distributed throughout Upland residential areas by local Boy Scouts and Girl Scouts.

Of the $8,274.08 raised in the fund drive here last year, only $153 was not spent in Upland, Howard Mason, general chairman of the Chest executive committee reports. The non-profit organization is composed of all residents of this community and benefits everyone in the community.

One Big Campaign

Serving as a collection agency for worthy welfare and charitable organizations, the Red Feather organization was organized to enable residents to give to local agencies in one big drive, rather than in a series of fund campaigns throughout the year.

Nine campaigns combined in the Chest fund drive this year to aid in the support of Upland Boy Scouts, Girl Scouts, Campers' committee, Rheumatic Heart clinic, Sick Baby fund, Junior Welfare League Dental clinic, Childrens' hospital, United Defense fund (USO) and National Travelers' aid.

With the 1953 budget increased almost 25 per cent over the 1952 figures, Mr. Mason explains that larger and better programs are necessary for the increased number of children in this community. "Ninety-six percent of the Community Chest funds go for Upland Youth welfare," he stated.

Volunteers To Canvass

During the two-week fund campaign, volunteer workers will contact every family in Upland for contributions. People who give at their place of employment, especially if it is located in another community, are urged to designate their contribution for the Upland Community chest.

Directing the year-around activities of the Chest organization with Chairman Mason are Clarence Reeder, vice-chairman; Mrs. Ida Cooper, treasurer, and Mrs. Hazel M. Cassell, executive secretary.

Organizations cooperating with the Chest organization in its annual fund drive, and their Chest representatives, include the following; Rotary, John Baumgartner; Lions, Mr. Reeder; 20-30, Boyd Harris; Exchange, Lloyd Butler; American Legion, Col. J. D. Rutherford; Legion Auxiliary, Mrs. J. E. Jordahl; Upland Woman's club, Mrs. Robert L. Jones, and Business and Professional Woman's club, Mrs. Jewell Barnett.

Exchange Elects Ralph Colonna

Ralph J. Colonna, 197 South Second avenue, is the new Exchange club president for the 1953-1954 club year, to succeed Max Hawkins at the formal installation of officers Tuesday night at the Sycamore inn. Frank Riordan of Riverside, district governor for Exchange, will be installing officer.

Elected to serve with Mr. Colonna are Harold Atchison, vice-president; Albert Price, secretary and Jim Marks, treasurer. New board members are John Flaherty, William Smith, Frank Moore and Fred Felsch. Hold-over board members are Lee Campbell and Lloyd Butler.

President-elect Colonna called a meeting of the new board for Monday evening at his home.

The annual installation party is scheduled for Friday, Oct. 16, at Ice House canyon resort. The party will be a ladies night activity and the members of other Exchange clubs of the district will be invited.

The new president, Mr. Colonna, an Upland grocer, is a charter member of the local club and served on the initial board. During the past year he has served as vice-president.

Addition of Teams, Reorganization Due At L. L. Meeting

A call for all Little league coaches, managers and commissioners was issued this week by Commissioner Marvin Dunn for a meeting Monday, 7:30 p.m. in the city hall council chambers.

The meeting has been called for the purpose of adding two more teams to the League, for a total of 12, Mr. Dunn said yesterday, and for planning formation of three leagues within the League.

During the past season, a pony league was conducted in addition to regular Little league play, and the proposal is to add a second Little league to the program.

Mr. and Mrs. Allen Hughes, their daughter, Linda, and son, Norman, of Anaheim were guests Sunday at the home of Mrs. Hughes' brother and sister-in-law, Mr. and Mrs. Roy Erwin, 811 East Ninth street.

Spanish Names Suggested For High School

Three names to be submitted to the Chaffey School district board of trustees for consideration in selecting a name for the proposed Upland high school plant, to face on West Eleventh street, were selected by the Upland Elementary and Junior High school PTA at a special board meeting yesterday morning.

Chosen suggestions, all Spanish names, are "Cerranilla" meaning Foothill; "Las Flores", or the flowers, and "El Rincon", end of the canyon. Mrs. Dean Engle, PTA president, expressed appreciation for all suggestions submitted.

A community Hallowe'en party sponsored by the P T A will be held at Upland Memorial park, according to plans formulated at the board meeting.

Mrs. Clinton Thompson was appointed chairman of a membership campaign to be conducted by the P T A Oct. 9-16, with a poster contest in the Junior high school to continue from today through Oct. 6.

Mrs. Engle announced that due to double sessions at the Elementary school, volunteers, P T A mothers, are being asked to take charge of classrooms and playgrounds for a brief period once a month while teachers attend a teachers' meeting.

Unique Concert Series Opens Season Tuesday

With a great deal of interest expressed in recent weeks in the series of recorded concerts to be presented here under the auspices of Upland Public library, the first concert will be presented Tuesday evening, 7:30 o'clock, in the Council chambers at the city hall.

Miss Lucile McDonald, librarian announced that the Council chambers have been obtained for the initial concert due to the crowd anticipated as a result of the interest shown.

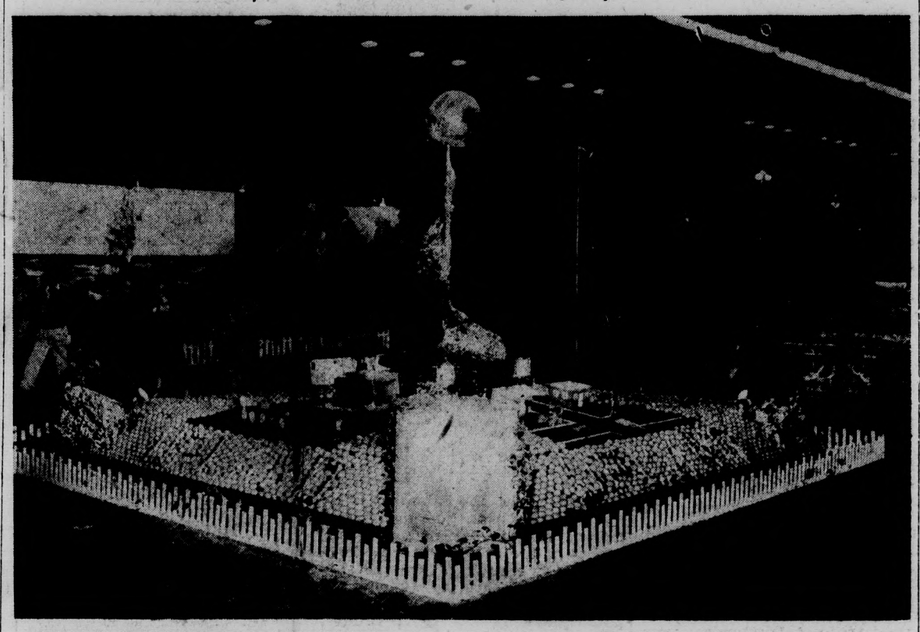

High fidelity equipment is to be used for the concerts, with Harold N. Barbour as technical director and Jay Dody as program chairman. Concert hall realism is gained for the concerts by using the high fidelity equipment, Mr. Barbour explains.

Planned as a treat for music lovers in this general area, the recorded concert series is open free of charge to all interestel people, Miss McDonald emphasizes.

The program for Tuesday's opening concert will include Beethoven's "Leonore Overture, No. 3 in C, Opus 72a", C. Franck's "Symphony In D", Respighi's "Pines of Rome" and Rimsky Korsakov's "Scheherazade".

Second concert of the series will be October 20, followed by others on Nov. 3 and 17, and Dec. 1 and 15.

Upland's Blue Ribbon Display at Fair

Upland's blue ribbon winner in the exhibition division at the Los Angeles County fair is pictured as it appears in the Agriculture exhibit building at the Pomona fair grounds. Planned and erected by the Upland 20-30 club, the winning display was co-sponsored by the Chamber of Commerce.

Winning Tennessee Walking Horses At Fair

Local winners in the Pleasure Horse class for stallions, mares and geldings, of the Tennessee Walking Horse association show at the Los Angeles County fair, Pomona, are pictured after presentation of the trophy and ribbons. From left to right, the local winners are as iollows: Sara Piedmont, owned and ridden by C. F. Eppler, 525 East Fourteenth street, who holds the winning trophy; Peg Allen, second place, owned and ridden by Col. John P. Casey, K-C ranch, 489 East Fourteenth street; Linda Lou, third place, ridden by Miss Marsha Hoag, 1328 North Euclid avenue, and owned by Mr. Eppler, and Merry Go Boy, fifth, ridden by Miss Dorothy Protteau of Chino and owned by Col. Casey.

September Building Permit Total Of $95,705 Increase Over '52

Building inspector Richard Derby issued figures for the entire month of September yesterday showing a substantial increase in building permits over the total for September, 1952. Mr. Derby reported nine permits totaling $10,642 issued during the past week.

Thirty-five permits issued from the city building inspector's office in September totaled $95,705 in valuation, as compared to the 1952 total for the same month, $58,285.

Nine new dwellings with a total valuation of $68,865 were started according to permits issued in September, and 12 permits for new garages, carports and roofed patios totaled $8,970. Miscellaneous permits, 14 in all, totaled $17,870.

Only six new dwellings were included in the 22 permits issued

Only one dwelling permit was in September 1952.

issued during the past week, to Jack Sapiemza, 856 Oaks street, Ontario, for a $5,000 dwelling at 1085 Sycamore court.

Permits for other new structures were as follows: Tom Harris, 803 North First avenue, garage, $2000; 2311 West Orange drive, garage, $800; James McNamee, 425 West street, garage, $800; Sam Smiley, 182 Fern avenue, garage, $700; R. Merrill Hesser, 1639 West Foothill boulevard, $250.

Miscelloneous permits issued over the week were to Mrs. J. B. Ford, 159 West Arrow highway, for reroofing a portion of the apartment building at 175 East Ninth street, $692; G. L. Briggs, 1350 North Euclid, alterations to kitchen, $300, and Jack A. Dennis, 1821 West Ninth street, partial reroofing of poultry pens, $100.

Charles Dunlap Home From Hospital

Charles Dunlap, president of the chamber of commerce, returned to his home, 243 North First avenue, after a week's confinement in Ontario Community hospital following a slight heart attack two weeks ago.

Mrs. Dunlap reported yesterday that her husband is doing fine but is allowed no visitors at present.

Upland Inn Sold To Louisianans

Sale of Upland Inn by Mr. and Mrs. Hugh Whaling to Roy Belanger of Morgan City, Louisiana, was announced yesterday. The new owner will take possession November 1. Mr. and Mrs Belanger resided in the Upland inn while Mr. Belanger served in the armed forces in this area during World War No. II. At that time they expressed interest in returning to Upland sometime.

He is a former postmaster of Morgan City and has been active in community affairs there.

The Inn has 24 rooms for tenants and many of the patrons have for years called the Inn their home.

Mr. and Mrs. Whaling purchased the Upland Inn in September 1952, from Mr. and Mrs. George Wurster. Their plans for the future are uncertain.

Upland Horses Sweep Wins

Tennessee Walking horses from Upland swept the field of wins in adult and children's Pleasure Horse classes at the Los Angeles County fair.

In the eleventh event, the Pleasure Horse class for stallions, mares and geldings, first place trophy was awarded Sara Piedmont, owned and ridden by C. F. Eppler, 525 East Fourteenth street.

In event number nine, the Children's Pleasure Horse class, the same horse was the first place winner, ridden by Wayne Benes, son of Mr. and Mrs. Joe Benes.

Three other wins in the adult competition of the eleventh event were registered by local Tennessee Walking horses. Second place was taken by Peg Allen, owned and ridden by Col. John P. Casey, K-C ranch, 489 East Fourteenth street.

Another Eppler horse, Linda Lou, was ridden by Marsha Hoag daughter of Dr. and Mrs. Leslie G. Hoag, 1328 North Euclid avenue, to place third. Fifth place win was accorded Merry Go Boy, another horse from the K-C ranch stable, ridden by Dorothy Protteau, of Chino.

Upland youngsters, members of the Plantation Walking Horse Pleasure class taught here by Col. Casey, took ifve of the six wins in the Children's Pleasure Horse class.

With Sara Piedmont winning the trophy, ridden by young Benes, the other four local wins were as follows: Peg Allen, ridden by Kay Gannon and owned by Col. Casey, second; Maid-O-Gold, ridden by Mary Pulver and from the K-C stable, third; Linda Lou, ridden by Marsha Hoag, and owned by Mr. Eppler, fourth, and Merry Go Boy, ridden by Miss Protteau and owned by Col. Caldwell, fifth.

Euclid Park Company To Complete Development At Shopping Bag

Euclid Park company of Beverly Hills today announced plans to build a commercial development estimated to cost over $150,000, west of the Shopping Bag market, on a portion of the parking lot now in use. Construction is due to start in the near future, Jerome Moss, president of the firm said today.

The new construction, to include a restaurant and other business space, is according to the original building plans of the Euclid Park company for the site. The building was provided for in the original plan approved by the Upland city council and planning commission.

Since erection of the big market, on which construction began a year ago in September, it has been sold by the Euclid Park company to Teachers Insurance and Annuity association, along with the property lease.

In selling the market and property lease, Euclid Park company retained the west lot for completion of the commercial development. As the property has been divided, a new record of survey is necessary.

First word of the pending construction was received here last week when the Euclid Park company, a division of Moss company, presented a record of survey to the Upland Planning commission, showing the split of the original property at 304 East Foothill boulevard, for approval.

The commission discussed the record of survey at length, questioning the parking situation as it would be affected by the proposed construction. The planners moved to send a letter to the Euclid Park company for more information as to the use to be made of the remaining portion of the west lot, after the construction, and whether the entire development would maintain a 1.5 to 1 parking ratio as originally planned. They also asked for assurance that the proposed building would be of no greater area than already approved.

Post Office Flag At Half Mast As Vinson Memorial

Many Uplanders have wondered about the flag being at half mast daily for the past two weeks at the Upland post office. Postmaster Roy A. Ray this week reminded local citizens that the Postal department issued an order for flying flags at all post offices at half mast for a month as a memorial to Chief Justice Fred Vinson. The flag will be raised to the top of the flag pole on Oct. 8, Mr. Ray stated.

Choose Pre-Cast Concrete For High School

Upland's high school plant proposed for West Eleventh street will be constructed of pre-cast concrete, the Chaffey Union high school trustees decided at a special meeting Monday night.

The new school will have the services of the architectual firm of Neptune and Thomas, present Chaffey district architects for school in order to prepare it for the Fontana high school plant.

Choice of the construction method and appointment of the architect was accomplished by the Trustees in an effort to accelerate activity on the Upland schook in order to prepare it for opening in Septmeber, 1955.

The architectural firm made a presentation with charts and models to show the building techniques of pre-cast and lift-slab concrete and the school house designs which have double-loaded central corridors and back-to-back classrooms.

Discussion of the Upland high school plant occupied the Trustees for four hours. The Board authorized Superintendent Daniel B. Milliken and Comptroller Jack White to investigate the costs of improving lighting in the Chaffey stadium, with this information also to be used for the Fontana and Upland stadiums.

Albert E. Malone 'Fair' at Hospital

Albert E. Malone, 26 East Arrow highway, is still confined to San Antonio Community hospital following injuries suffered in an automobile accident Sept. 22. His condition was described as "fair" last evening, by hospital attaches.

The driver of the second car involved in the accident at Rochester avenue and Arrow highway, Cucamonga, was George Dargroch of Cucamonga. He was released from the hospital yesterday and his condition was described as "good."

Rezoning Issue, Ordinances On Council Agenda

Upland's city fathers confront a number of important items of business on the agenda for their meeting at 7:30 tonight in the City hall Council chambers.

A public hearing on the proposed rezoning of the property between Euclid and Sultana avenues, bounded on the south and north by Ramona freeway and Seventh street, respectively, to allow for the construction of apartments, will be a major issue. The rezoning proposal has been recommended by the Upland City Planning commision.

Hearings conducted on the matter by the Planners were well attended by both those residents favoring and not favoring the zone change. A representative group is also anticipated for tonight's hearing before the Council

Upland's proposed Zoning ordinance is scheduled for its first reading a matter which will take considerable time, and the second reading of the proposed trash ordinance is also tentatively slated.

Councilmen will also receive the recreational directors' recommendation that Truscott T. Lindsey be reemployed as the city's recreational director, and are expected to act on this matter of business.

Palis Moving To Los Angeles

After residing in Upland for more than a half a century, Mr. and Mrs. A. L. Palis are moving today to Los Angeles, having sold their residence at 636 North Euclid avenue. Mr. Palis opened a jewelry store in Upland in 1901 and continued until his retirement in 1937.

Their attractive Euclid avenue home has been purchased by St. Mark's Episcopal church for an expanded church and church school program.

The Palis' son, Carl and their daughter, Mrs. Alfred Williamson (Edith) reside in Los Angeles and that is the principal reason for the Upland pioneers moving there.

The Palis residence will be converted for church use at an early date. Present plans call for alterations to make seven new classrooms and a nursery for all services. The new property will also be used as a meeting place for various parish activities, according to the Rev. Joseph A. Erickson, Jr. It is hoped to keep some of the rooms furnished and available for small meetings and meals, the church leader said.

Dedication of the new property will be a feature of the service at 9:30 a. m. Sunday. Behind the junior choir, members of the church march in procession from the church to the new property. In an impressive ceremony, the new property will be blessed and set aside for God's use by the rector.

New City Street Sweeper Ready

Delivered this week to the City of Upland was the street sweeper ordered last July from Brown-Bevis Industrial Equipment company of Los Angeles.

The bright yellow and massive piece of equipment was delivered to the city yard Monday by Henry Wiedner of the Brown-Bevis company. Homer Greer, street foreman, 567 North Campus avenue, said the sweeper would be placed in use before the end of the week.

"Doc" Whitefield, Jr., 818 Tenth avenue will operate the new street sweeper, which replaces the outmoded Austin-Western equipment in use for the past six or seven years.

Exceptional features of the new equipment over which Mr. Greer is enthusiastic include the large hopper in the sweeper which can haul three yards of sweepings, allowing the operator to drive the sweeper directly to the dump for disposal of the sweepings. Previously all sweepings have been hauled to the dump in a truck, which required an extra driver.

300 Enjoy Gala Ball At Red Hill Country Club

A gala evening was provided 300 members of Red Hill Country club Saturday night as the fourth anniversary in the new club house was celebrated with the annual Anniversary ball.

With cocktails opening the festivities, dinner was served at 8 o'clock to 212 followed by dancing which was continued for an extra hour due to the time change. Three-hundred enjoyed the dancing.

Roses of all hues were used in decorating the club rooms and corsages were presented to the wives of all charter members. An almost 100 per cent turnout of the charter members was reported, with the charter members and their wives and husbands serving as hosts and hostesses for the evening.

Red Hill Charter Members At Anniversary

A group of charter members of Red Hill Country club pose about the fourth anniversary cake at the annual Anniversary ball Saturday night, celebrating the fourth year in the new club house. From left to right, the charter members and wives are as follows: Sid Herzberg, Mrs. Newton Trautman, Mr. Trautman, Mrs. Mildred Puckett, Beecher Hungerford, Leonard Fowler, Mrs. Hungerford, Mrs. F. M. Taylor, Mrs. Jessie Fowler, Mrs. Paul Adams, Edwin Wickstrom, Paul Adams, Mrs. A. C. Reynolds, Mrs. Earl Williams, Welles Ross, Norman Lawson, Mrs. Ross, Mrs. Wickstrom, Harvey Chapman, Mrs. Chapman, Mrs. Norman Lawson, Dr. Frank Taylor, Sr., Paul Nichols, Mrs. Sid Herzberg, Mrs. Nichols and Milton Davenport.

Silver Tea Set For October 19 At Wenger Home

Plans for the annual silver tea sponsored by the San Antonio Community hospital Women's Auxiliary indicate it will be one of fall's most pleasant social events.

Scheduled for Monday afternoon, October 19, from 3 to 5 o'clock, the party will be held this year at the home of Dr. and Mrs. Earl L. Wenger, 1607 North Euclid avenue.

Mrs. Daniel B. Milliken, Auxiliary president, points out that all women of the community who are interested in the hospital are welcome to attend the tea.

Mrs. Lowell Emmons, tea chairman, has this week announced her committee to include Mrs. Robert Graber, program; Mrs. Elmer O. Carlson, food; Mrs. Charles R. Latimer, flowers; and Mrs. Arthur L. Weber, Mrs. Robert N. Williams and Mrs. Donald Pattison.

Drive slow—children move fast.

Chaffey Wives Open Season With Dinner

Opening fall meeting of the Chaffey Wives Tuesday evening in the Student Union building provided 175 members and their husbands an opportunity to get acquainted and to have a lot of fun as well. Mrs. Elwood Chapman, president, extended words of welcome.

A contributed dinner was served at 6:30 o'clock, planned by the committee for the evening. Each table represented a department store, and upon arriving, each couple was assigned a job. Centerpieces for the tables were displays of materials and accessories.

After dinner, each table selected a model who was costumed in the materials on the table, and he had to participate in a simulated television show. The new teachers and their wives, who acted as judges named George Thorne as the model in the most amusing costume.

The committee in charge of arrangements for the evening was headed by Mrs. Alexander McLeish, with Mrs. Ralph Ritchie and Mrs. Donald Swihart, co-chairmen. Assising were the Mesdames Carl Hossler, Dario Robinson, Lloyd Aanstad, Fred Barrett, Robert Bauman, George Beardwood, A. Vance Beckwith, S. Earle Blakeslee, Charles Booth, Clarence Calhoun, Arnold Christen, LeRoy Civille, Harry Couzins, James Dooman and Ernest W. Fischer.

Drivers be dependable—child mean some child's chance to live.

First Meeting Of Episcopal Women

The Woman's Auxiliary of St. Mark's Episcopal church will start fall activities with a meeting on Monday afternoon at 2 o'clock at the home of Mrs. E. J. Sandford, 501 North Vine avenue, Ontario.

Mrs. Howard D. Bowles, president, will preside, and the speaker will be Canon Richard Lief, executive secretary of Los Angeles city missions.

Assisting Mrs. Sandford on the hostess committee are Mrs. Gilbert Preston, Mrs. H. H. Harter and Mrs. Ruth Coons.

Upland WSCS To Meet in Ontario

Members of the Woman's Society of Christian Service of the Upland Methodist church will be guests of the society of the First Methodist church of Ontario at its luncheon meeting October 8 at the church, according to announcement by Mrs. Hugh L. McLellan, Upland president.

Those planning to attend are asked to make luncheon reservations with their circle leaders.

A prayer service will be held in the Upland church from 10 to 10:20, and at 10:30 there will be a short business session.

Devotions at the Ontario church are to begin at 11:30.

Mrs. Brown Hostess To Merry Wives

Providing a pleasant afternoon for members of the Merry Wives club, Mrs. Isabelle Brown was hostess Friday at her home, 581 North Euclid avenue. Following a social time, refreshments were served.

Guests of Mrs. Brown include the Mesdames G. A. Brest, T. M. Nichols, D. D. Crew, C. M. Sikes,

Baptist Officers And Teachers Are Installed

New officers and teachers of the First Baptist church of Upland were installed following a banquet held Friday evening in the Ontario Woman's club house. The pastor, the Rev. Lynn T. Lemon conducted the ceremonies, and also commended the retiring officers.

Don Ritter, retiring Sunday school superintendent, presented the study course awards.

Mrs. C. W. Stickney entertained with a vocal selection. Guest speaker was the Rev. W. H. Bell of Redlands, who stressed using opportunities in his talk on "Key in Your Hand".

Seventy-three persons attended the banquet.

Enjoying a 12:30 o'clock contributed luncheon, members of the Wesleyan Bible class of the Upland Methodist church held their monthly social meeting Friday in the church parlor. Hostesses were the Mesdames Emma Thayer, Doris Gray and Ora Sampson.

Following the luncheon hour, Mrs. Doris Gray, president, conducted a brief business session, and devotions were given by Mrs. Ivan Jellison and Mrs. C. S. Kelley.

Visitors were Mrs. Kelley, Dr. Ralph W. Lee and Mr. and Mrs. J. H. Pixley. Members present were Miss Mary Craig, and the Mesdames Anna Bunker, Mary Cadnum, Clara Spies, Etta Johnston, Mary Waterman, Lillian Livermore, Frank C. Buffington, J. S Allen, A. J. Handley, W. T. Schaffner, Emma Lambert, Ivan Jellison, J. A. Hurlbut, Dora Hilbert and the hostess committee.

BPWC Board Plan Card Party

Miss Helen Couts, club president, presided over the monthly meeting of the executive board of the Upland Business and Professional Women's club last Thursday evening at the home of Miss Doreen Hill, 2248 North Euclid avenue.

Plans were completed for a card party to be held October 22 in the Upland Woman's club house for the benefit of the scholarship fund.

Refreshments were served by the hostess at the close of the meeting.

Present besides the president were the Misses Florence Andrews, Sadie Brainerd, Betty Brennan, Velma Owen, Lois Brown, Margaret Haack, Frances Barks and Doreen Hill; and the Mesdames Helen Earle, Merrill Conn, James Bessant and Louise Meteer.

Auxiliary Members At Council Meeting

Mrs. James E. Jordahl, president, headed the group from Upland unit, American Legion Auxiliary, who attended the meeting of the San Bernardino-Riverside Inter-county Council last Wednesday evening at Moreno Valley.

Following a potluck supper, new officers were elected and installed. Mrs. Lois Meeker of Corona was named president succeeding Mrs. Ed Swan of Devore.

Others from Upland were the Mesdames W. J. Larkin, Harry Plum, Herbert C. Naylor, Houston Dewey, I. J. Linkey and Ethel R. Marsh.

Catholic Women Plan Day Of Recollection

The Mesdames John Cyphers, Peter A. Guthrie, William Roth and Thomas N. Wilson were the Uplanders attending a ceremony in Montebello Sunday when four new members of Court Our Lady of Fatima, Catholic Daughters of America, were initiated by Court Guardian Angel.

On Sunday, October 4, the Court will sponsor a Day of Recollection for all Catholic women of the community and their friends. Beginning at 10:30 o'clock, the morning session will be held at St. George's assembly hall, Ontario, conducted by the Rev. Joseph Hill.

Reservations for the luncheon must be made by October 1 with Mrs. John Ganger - 65-536.

The closing exercise will be a holy hour at St. Joseph's Catholic church in Upland, under the direction of the Rev. Gregory Sheridan, chaplain of the court.

Booths For Barbecue Under Construction

Booths have been under construction about the Legion hall on East Arrow highway this week in preparation for the big barbecue Oct. 11 being staged as a benefit for St. Joseph's Catholic church by the Ladies axiliary and Men's club of the local parish.

Former Mayor Gets 60-Year IOOF Pin

A delegation from the Euclid lodge, IOOF, recently visited in the Long Beach home of C. V. Lambrigger, former Upland mayor, to present the 88-year-old Odd Fellow with a 60-year membership pin.

Mr. Lambrigger, a member of the local Odd Fellows lodge for over 60 years, served as mayor of Upland from 1909 to 1912.

Noble Grand Fred Holland made the presentation, accompanied by Jerry Davis and Hugh Culbertson.

Mrs. Kitty A. Decker, 887 North Third place, entered San Antonio Hospital Monday for medical care.

DuVall-Galles Wedding Vows Are Exchanged in Episcopal Church

In double-ring rites at high noon on Saturday in Christ Episcopal church, Ontario, Dr. Edmund Granger DuVall, son of Mr. and Mrs. Clyde DuVall, 732 North Euclid avenue, claimed as his bride Miss Elaine Ruth Galles, daughter of Mr. and Mrs. Albert Galles of Wisconsin Falls, Wisconsin.

The Rev. John G. Mills, rector, performed the ceremony. White and pale pink mompon chrysanthemums decorated the altar.

Their romance started while both were serving in the Medical Corps of the U. S. Navy at the U. S. Naval hospital at Corona, she as a physio-therapist, and he as a doctor.

Lawrence Abbott, a long-time friend of the bridegroom, played the wedding music.

Given in marriage by her uncle, Eric Getzlaff of Los Angeles, the bride was attractively attired in a pale rose faille dress with jacket, embroideried in pearls and rhinestones. Her small hat had a face veil, and she carried a colonial shower bouquet of roses, carnations and camellias.

Miss Dorothy M. Eoff, the maid of honor, wore a light blue suit, with white hat and a pink carnation corsage.

Richard DuVall served his brother as best man, and another brother, Thomas DuVall, and William Howard Craig III were ushers.

Only relatives and a few close friends attended the ceremony and the wedding breakfast which followed at the home of the bridegroom's parents.

When they return from a brief honeymoon in Yosemite and San Francisco, they will make their home in San Bernardino.

The new Mrs. DuVall attended the University of Wisconsin, where she took nurse's and physio-therapy training.

A native of Upland, Dr. DuVall is a graduate of Chaffey high school and college, and of the medical school of the University of Southern California. He served in the Navy and was on the U. S. S. Los Angeles for a year, and then was assigned to the Corona Naval hospital. He is now a resident physician in the San Bernardino county hospital.

Undecided As To Future

Grateful Community Welcomes Ex-POW

Jack Caraveau is rapidly gaining the 20 pounds he lost while a prisoner of war in North Korea.

The soldier, adopted by Uplanders as their "own" is also getting readjusted to life in free America after living 2½ years under heavy "red" restrictions. He dislikes talking about his experiences. And to many friends and relatives that is understandable.

Score of people were in the American Legion clubhouse Saturday night to extend an official "welcome" to Sgt. Caraveau. Modestly, the husband of an Upland girl accepted the plaudits and the gifts and warmly expressed his pleasure in being once again among friends. His wife is the former Joyce Porter and the couple and their young son are residing with her parents, Mr. and Mrs. A. E. Porter, 1174 Winston court.

From one ex-prisoner to another ex-prisoner, Col. D. J. Rutherford presented a $100 war bond and a coffee perculator to the happy couple. Col. Rutherford is commander of the Upland post of the American Legion and was a prisoner of the Japanese during world war No. 11.

Robert Theall, master of ceremonies, welcomed members of the audience and introduced representatives of the various local organizations. Mayor Eugene G. Nisbet expressed the city's official welcome and spoke of how grateful the community is for not only Sgt. Caraveau but also many others who have given so much in defense of their nation. Other city councilmen were introduced and a half dozen organization representatives were called to the front of the building to share in the presentation of gifts to the ex prisoner and his wife. A buffet supper and dancing followed the formal program.

Sgt. Caraveau was greeted by his young son and wife and other relatives when he docked in San Francisco, Sept. 23. They arrived in Upland later and he will be here until the latter part of October.

"I am undecided as to what I will do," explained the smiling sergeant to an Upland News representative. "I am to report to Camp Stoneman in about a month for my discharge." Asked about conditions under which he lived as a prisoner, the newly released soldier explained; "I can't say much; for security and other reasons."

He did not hesitate a second, however, when he was asked the date of learning about being set free.

"August 20," he replied, adding, "I'll always remember that date."

"For a few days prior to then we saw men moving out and we knew something was happening." A long-time friend greeted him in the crowd at the Legion clubhouse. He was gracious and courteous with everyone. Then he continued:

"On Aug. 20, the rest of us were told what was going on. All we could do was wait and believe me it was a great moment when I got free."

All during the 2½ years, Mrs. Caraveau wrote every week to her husband,, about their new son and about life in Upland and the nation. The prisoner, however, received only 30 of the letters.

Mr. Porter talked proudly about his son-in-law. "He is getting re-established very rapidly," he said. "At first Jack was more nervous and didn't say much but now he is talking some. At that, he does not say much about his experiences. It's been a long time since he has been privileged to be among free people and perhaps he is a little nervous."

While the "homecoming" was sponsored by the Upland post of the American Legion, many local organizations shared in the event. These organizations included, Veterans of Foreign Wars, I. O. O. F., American Legion auxiliary, 20-30 club, Upland Lions club, Exchange club and Rotary club.

Mrs. J. E. Jordahl was chairman of the committee in charge of the buffet dinner. Invocation was delivered by the Rev. Joseph Erickson, rector of St. Mark's Episcopal church and the benediction was given by Father Gregory Sheridan of St. Joseph's Catholic church.

Presentation Scene At Caraveau Reception

Mrs. Jack Caraveau unwraps the gift presented to her and Sgt. Caraveau by this community, in addition to a $100 war bond, as her husband, a former prisoner of war released three weeks ago by the Communists, looks on. Presentation of the gift was at the community reception honoring the war hero and his wife at the Legion hall Saturday night. Community civic leaders surrounding the Caraveaus are, left to right, Bob Hickox, Rotary president; Jerry Hays, 20-30 club; Mrs. Ethel Jordahl, American Legion auxiliary president; Houston Dewey, IOOF; Col. D. J. Rutherford, Legion Commander, and Robert Theall, Exchange club and program emcee.

Elaborate Plans Forecast Success For St. Mark's Circus-Bazaar

Certain to draw a large crowd is the circus-bazaar to be held on Friday, October 9, from 4 to 9 p. m., in the parish house and on the rectory lawns of St. Mark's Episcopal church.

The gigantic undertaking is sponsored by St. Clare's Auxiliary, with Mrs. Fredrick G. Bissell as general chairman, and Mrs. George Yetter, co-chairman and with the cooperation of all the members. An all-over circus theme has been planned by Mrs. Floyd L. Plasman, decorations chairman.

The midway will feature booths made in the form of bright-colored circus wagons, and there will be numerous forms of amusement.

In the parish house will be found a complete country store under a big-top circus setting, according to Mrs. Norman O'Shea, chairman, and on sale at the various booths will be everything from food to antiques. Bargains of all kinds will be found in the white elephant booth.

The food and dinner booths will be located in the rectory garden. Vaughn Dunlap has volunteered to take charge of the tacos booth, assisted by Leslie Kalil.

Among the rare items and antiques will be wedding costumes of long ago, presented by Mrs. W. W. Phipps, Upland octogenarian, to the church to be sold. They were worn by her parents, Mr. and Mrs. John O. McConnell, who were married on May 31, 1861, in Anoka, Minnesota.

Panthers to Taft Seeking 3rd Win

With two wins under their belts, having tumbled Citrus Junior college Saturday night, 24-0, the Panthers of Chaffey college head for Taft J C this week end.

Little is known here of the strength of the Taft J C gridders but Chaffey scouts at Taft last week end report the team boasts sufficient depth to field three complete teams.

With the United Press rating Chaffey with Bakersfield as the two potential powerhouses in this year's Southern California junior college football competition, Coach John Burnison this week said his Panthers were not that good, being too green, but that they were reliable players and would turn in a good season.

Insurmountable in the game with Citrus J C was Chaffey's defense, while its offensive play on the ground was cold until the second half. In the latter half, the Panthers covered 129 yards for two TDs and a field goal by tackle Russ Young.

Scoring first eight minutes after the opening kickoff, the Panthers saw Glenn Nichols carry the ball over on a quarterback sneak. Nichols had set up the score when his pass to Lucian Carpenter, end, was good for 40 yards on the Citrus 24.

From there the ball was moved to the six by a five yard Citrus penalty and runs by Warren Hawley, hb, and Nichols.

In the final stanza, Young booted a field goal through the uprights for Chaffey's second score, after long runs by Ben Hunter, hb, and Bob Grimmesey, fb, in the third period failed to result in a score as Citrus intercepted one of Chaffey's six scores of the evening.

With the win cinched, the Panthers went on for two more scores in the fourth period. With four minutes remaining, Chaffey took over on the Citrus 45 with Hunter taking the pigskin 30 yards around left end to the Citrus 15. A penalty for holding against Citrus placed the ball on the one, after which Hunter piled through center to paydirt.

Regaining the ball, Chaffey hurried for another score. Malone thrilled the spectators with a 44-yard run to the Citrus 16 and the touchdown pass was contributed by Dick Juliano, with Dale Bunch receiving.

Danner's To Make 27,000 Doughnuts During October

October is National Doughnut month, the "granddad" of all the industry-wide "weeks and months", and Rex Cooper, proprietor of Danner's bakery, 120 East Ninth street, Upland, estimates a 20 per cent increase in doughnuts sales for the local bakery during October.

With 15 different varieties a specialty, Mr. Cooper states, "We expect to make about 27,000 doughnuts during October."

The local bakery produces a wide variety of pastries. The rear of the bakery building has recently enlarged, providing more space for more baking facilities.

Uplanders attending the Fifth District Parent-Teacher association meeting last Friday at Thousand Pines Camp, Crestline, were the Mesdames William A. Gilliland, president of Ontario Council; Albert J. Weisbrod, district chairman of juvenile protection; Dean Engle, president of the Upland Elementary and Junior high P T A.; Mrs. Earle T. Casler, president of Sierra Vista P T A.; Clinton Thompson, Dean Bradford, Harold Camilli and Fred Wilhelm.

IOOF Expecting 300 At Fiesta

Plans for a crowd of 300 are being laid by the local Odd Fellows lodge as they prepare for the first annual Lemon Pie and Grape fiesta Tuesday night in the lodge hall. The event is in tribute to the lemon and grape industries of this area. Over 250 reservations have been received.

Final plans for the fiesta were mapped at the IOOF meeting Tuesday evening, at which the lodge also announced plans to sponsor a Little League baseball team next season. Chris Zimmerman, Olin Collier and Clifton Murphy were named representatives to the Monday planning meeting of the Little league organization.

Wednesday evening a group of 50 Odd Fellows and Rebekahs toured the Kaiser Steel mill at Fontana ,and reservations for this tour were made at the meeting.

The third degree was conferred on four members, Harold Long, Leo Gassell, James Long and Chris Zimmerman.

Sewing Contest Interest High

Many persons are sewing for fun—and for prizes.

The second annual J. J. Atwood Co. sewing contest is developing wide interest with entries already submitted although the deadline for entries is 15 days away.

Prizes will be awarded for various classes and John B. Atwood, head of the local department store is anticipating a large number of entries. Full details concerning the contest and the various classes are available in the fabric department.

A fashion show will be held Oct. 17 at which models will display the entries. Mr. Atwood is arranging for judging and awarding of prizes.

"Many women are apparently very interested in sewing and the contest," Mr. Atwood said. "This is planned as a community event, of interest to all women in the district."

Adoption of City's Master Zoning Ordinance Foreseen For October

Adoption of the city's master zoning ordinance is likely this month. Proposed in June, 1952, the proposal regulating future development of the city is up to the point of getting a "first reading" at the Upland city council meeting tonight. "Second reading" and formal adoption of the ordinance might occur at the Oct. 15 meeting of the council. Publication of the more than 40-page ordinance would follow and the law would become effective.

Changes recently suggested in the measure by the council have been given approval by the planning commission and at tonight's meeting these changes will be placed into the ordiance. Reading of the document will require nearly two hours time. If no major changes or objections are offered, the adoption schedule as outlined will be observed.

Many property owners and prospective developers are interested in the law's adoption due to improvements awaiting enactment of the legislation.

Selection of a planning consultant for the city may be made tonight or provision may be made for employment at a future date of a consultant.

Charles W. Eliot's contract with the city has not been renewed and discussion of a consultant is among the first items on the agenda at the Upland city council meeting tonight. Councilman E. Tweed Stone, however, will not be at the meeting and action on the question may be delayed.

Mr. Stone is attending a board meeting of the state undertakers' association.

Jeanne Heavenston Claimed By Death;

Mrs. Jeanne Eveleen Heavenston, wife of Don L. Heavenston, 7520 Camino Norte, Red Hill, died Wednesday morning at San Antonio Community hospital, following a two-month illness. She was 30 years of age.

A native of Laramie, Wyoming, Mrs. Heavenston had lived in California for 28 years, moving here in February from San Bernardino. She was a member of the First Presbyterian church.

Besides her husband, Mrs. Heavenston is survived by a daughter, Nancy Jeanne, six years old and a son, Philip, four; her parents, Mr. and Mrs. Dick Williams of Banning; and one brother, Robert D. Williams of Santa Monica.

Funeral services will be held Friday afternoon at 2:30 o'clock in the First Presbyterian church, with the Rev. Trusten A. Hart, pastor, officiating. Interment will follow in Bellevue cemetery.

Man On Tracks Killed By Train

Killed when a train ran over him as he lay on the Santa Fe railroad tracks near the crossing of Turner avenue in the Cucamonga district about 1:10 a.m. Sunday was Albert Fernandez, approximately 30, who worked for the railroad section gang stationed at Cucamonga.

According to Deputy Sheriffs Charles Petrovich and Glenn Terry, investigating officers, Fernandez was first seen lying on the south rail of the main line by the fireman, engineer and conductor of the eastbound Santa Fe train.

Reported proceeding at 40 miles per hour at the time, Fernandez was sighted on the tracks, the train was stopped 1500 feet east of where the body was found.

Chief Deputy Coroner Doyle of San Bernardino also investigated the death. The remains were taken to Stone Funeral home in Upland where arrangements are as yet incomplete.

Mrs. Marcie Hernandez, 858 Alpine street, entered San Antonio hospital Tuesday for surgery.

Mrs. Howard W. Collins, 718 West street, has returned home from San Antonio hospital where she underwent surgery.

Indians' Plight Told Executives

The world's worst death rate from starvation is in the United States—among the 400,000 Indians, members of the Upland-Ontario Executives club were told at a meeting in the Upland Woman's clubhouse Monday night. Charles Eagleplum, an impressive speaker, spoke about the horrible plight of many of the Indians on the barren reservation land.

"All we are asking for my people is an opportunity for education," he earnestly pleaded. He qualified his statement about the starvation death rate by saying America held the record "until recent years."

The speaker's appeal for the Indians was not part of his scheduled entertainment and address but came in response to a question as to what was the major problem among the Indians. With much feeling and fervor, he told of life on land that could not be productive and of ignorance in which they were forced to live.

This was the first fall meeting of the club with Sam L. Wic sham, president, presiding. Parker presented the speaker. and Mrs. Harold W. Cook, Upl were among guests at the n ing.

NEW COMPANY TAKES OVER RED CARS AND COACHES

NEW PRESIDENT IS EXPERT IN TRANSPORTATION

"To provide better and more convenient service is the policy of Metropolitan Coach Lines," said Jesse L. Haugh, president. "We will bring about a flexibility of operation that will enable us to better care for this fast expanding area."

The president of the new company has spent a life-time in transportation. After many years with Union Pacific Rail and Bus Lines he became president of Pacific City Lines in Oakland and began a new career as a perfectionist in community rapid transit.

He became president of Key System in Oakland and San Francisco and director of Airport Limousine Company of the same cities. He organized Western Transit Systems, Inc., which operates coach lines in Montana, Washington, Oregon and California. The California operations include the Fresno Coach System, the San Diego Transit Company and the ferry company serving Coronado.

In addition to devoting his efforts to the improvement of public transportation, he takes an active part in the affairs of the communities in which he operates and makes many contributions in the form of civic welfare work.

Metropolitan Coach Lines to Serve Los Angeles, Riverside, San Bernardino and Orange Counties Effective Today

Service, safety, comfort, speed and economy — these are the features you want in public transportation, and Metropolitan Coach Lines, new owners of the Pacific Electric Passenger System, will provide them for you starting right now.

REPAINT JOB — Gene Barry and Ann Robinson, stars of Paramount's "The War Of The Worlds," lend a hand to rename the 700 coaches of the Metro Fleet.

NEW VEHICLES ON WAY TO GIVE IMPROVED SERVICE

Replacement of obsolete equipment and increases in the number of motor coaches in service was announced by R. F. MacNally, vice president and general manager of Metropolitan Coach Lines.

"Already on order and being manufactured are 100 new 48-passenger coaches to cost more than $2,300,000. The company plan is to add approximately 80 new coaches each year for replacements and additions to the fleet. New insignia will be placed on existing coaches as rapidly as possible. Changes in certain basic colors are now being studied for best safety visibility."

MANY COMMUNITIES SERVED BY METRO

SERVES FOUR COUNTIES — The entire passenger system area formerly operated by Pacific Electric now will be served by Metropolitan Coach Lines. Present schedules and routes are still in effect. Information about improvements will be released periodically.

SERVICE: The operator of a coach of Metropolitan Coach Lines — we hope you'll call him your Metro-man — will be friendly, helpful, courteous and dependable. For the duration of your ride, your Metro-man is your chauffeur, anxious to make your trip pleasant, smooth and relaxing.

SAFETY: From the moment you board a Metro coach, the skill and experience of millions of miles of city and suburban travel become your servants. The mechanical wizardry of America has been used to provide safety devices to give you complete peace of mind when you go by Metro.

COMFORT: Big, roomy vehicles eat up blocks or miles while you ride in satisfied ease. Read your newspaper or book. Chat with a friend. Look out of broad windows and forget about the traffic. You can do all this while you're riding to work, or going shopping, or going places just for fun.

SPEED: Make a little test to prove that when you go anywhere by Metro, you get there faster — time your trip by any other means of travel. If you go by private automobile, add up the time used in travel, searching for parking, parking, and walking. Far-flung and carefully planned Metro routes honeycomb the area to take you close to your destination . . . and you're there carefree!

ECONOMY: When you go by Metro, you really give your pocketbook a reason to smile. A sensible fare — usually in small change — delivers you to the office, to your home, anywhere. Add up the cost of other ways of satisfactory travel, and you'll quickly cultivate the Metro habit—for your budget's sake.

For every reason that makes sense to Dad, Mother, and the youngsters — Let's Go By Metro — the new sensation in transportation, covering Los Angeles, Orange, Riverside, and San Bernardino Counties with frequent, on-time schedules.

Coaches Report To Quarterbacks On Grid Teams

Quarterbacks' club, the booster group for Chaffey athletic teams, heard Chaffey college Coach John Burnison and Chaffey High school Coach Jack Tinson review the week end games, preview the games this week end and give a general report on their squads.

Joe Agapay, Chaffey High school student body president and stellar fullback for the Tigers, was a special guest and thanked the Quarterbacks for their support of the prep team. Five members of the college team assisted with serving breakfast to the Quarterbacks.

Tinson reported two injuries in Friday's game with Alhambra, Bob Chaft having received a knee injury and Norman Smothers having hurt his ankle. With one win and one loss behind his team, Coach Tinson appeared confident of a win this week over Santa Ana.

Coach Burnison, with a two-win streak to his team's credit, reported his team is still considerably green but working hard. He expressed respect for the deep Taft team on the agenda Saturday, but said of his squad, "Any team we play will know they've been in a ball game."

Bill Grable, assistant Panther coach, scouted at Taft last week end and reported three full teams fielded there, with two outstanding halfbacks observed. He cited the team for excellence on reverse plays.

A Dad's club was formed at the meeting, with each Quarterback member adopting a member of the high school football team as his son for the season. The practice is aimed at building up the morale of the team members and affording the Quarterbacks an opportunity to get acquainted with the high school gridders.

Shopping Bag Sales Celebrate 23rd Anniversary

Twenty-three years ago Shopping Bag Food stores were founded by W. R. Hayden, the present president, and W. D. Rorex, now deceased, as a partnership.

Now a corporation with 24 stores, Shopping Bag has planned a 10-day sale to celebrate this 23rd anniversary. All the specials that are advertised in The Upland News today will remain in effect through October 10.

In addition to the many bargains, a huge birthday cake will be cut and served customers in each Shopping Bag store Oct. 10.

Joe Kidd, 283 South Third avenue, is home from San Antonio hospital after surgery.

125 Cub Scouts Are Registered

One-hundred and twenty-five Cub scouts registered for activities of the ensuing year at the organization meetings held by Packs one and eight during the past week. More than 200 parents and Cubs attended the meetings.

Monday night, Pack eight, sponsored by the Sierra Vista P T A, organized in a meeting of parents and prospective Cubs at the Sierra Vista school cafetorium, with 125 persons in attendance. W. J. "Bill" Gray, 1401 West Sixteenth street, Cub master, presided over the session. A total of 80 Cub scouts were registered.

Friday night, Pack one organized in a meeting at Upland Elementary school auditorium with 90 persons present. Dr. Lyle W. Callow, Cub master, and Herbert Holt, committeeman, presided over the meeting at which 45 boys registered.

Dr. Callow said yesterday that at least 15 more boys are expected to register for Pack One Cub scout activities. Jack Hurt, local Scout executive, spoke on the organization meeting program, illustrating his remarks on Scouting with colored slides.

Den mothers for Pack one include Mrs. E. R. Fields, Mrs. Fred Perry, Mrs. R. S. Campbell and Mrs. H. L. Holt, who are retained from last year, and Mrs. L. A. Kalil, a new volunteer. Assistant den mothers signed thus far are Mrs. E. L. Johnson, who will assist Mrs. Kalil; Mrs. Velda Sauer, who will assist Mrs. Holt, and Mrs. Duke, who will assist Mrs. Perry.

Pack One is sponsored by the Elementary school P T A and the regular pack meetings are planned for 7 p.m. the fourth Friday of every month in the Elementary school auditorium. American indians will be the October theme for the Pack's activities.

Plans were announced at the meeting for reactivation of the Cub pack formerly sponsored by First Methodist church of Upland.

At the meeting of Pack Eight Monday evening, the Pack committee was completed with the hold-over committeemen being Mr. Gray, Bob Sherwood and Everett Robinson. New appointees are Allen Palmer, A. J. Elliott, Vaughn Dunlap, Sam Kelber and Tom Jones.

Den mothers returning to duty are Mrs. Frances Wilson, den one; Mrs. M. K. Smith and Mrs. Nelson Gray, den three, and Mrs. Robinson, den five (Mt. Baldy village). Volunteer den mothers to be assigned to dens four and two and to additional dens to be established are the following:

Mrs. Wanda Jones, Mrs. Esther Erick, Mrs. Art Lichte, Mrs. Max Harmon and Mrs. William Bowden.

On the evening's program, den three was in charge of the opening ceremony. Mrs. Fay Bartlett explained duties of den mothers for the benefit of prospective den mothers.

Tonight the Pack committee will meet at the home of Mr. Sherwood, 1399 West Thirteenth street to plan the year's activities and establish additional dens.

Mrs. Earle Casler, president of the Sierra Vista P T A, sponsor of the Pack, announced this week that the P T A will sponsor two Cub dens in the recreation room of the Los Olivos project.

'Diamond Hunt' Starts Today

Opening today is the "diamond hunt" of Central market and Scott's jewelers, with "hundreds of dollars worth of diamonds to be given away free," according to Ralph Scott.

A great response is anticipated by the "diamond hunt" sponsors. A bowl will be placed in Central market containing several thousand imitation diamonds, and among these will be an undisclosed number of genuine Bond diamonds. The genuine diamonds have been placed in the bowl by Police Chief Ralph H. Palmer.

Everyone is invited to participate in the diamond hunt, according to Harold Spiegel and Joe Marks, proprietors of Central market. The procedure is for a person to pick a stone from the bowl; a clerk places it in an envelope which is then sealed. The patron may then take the stone to Scott's Jewelers for examination. If the stone selected is a genuine diamond, Scott's will mount it in a ring, furnishing the mounting free of charge.

No charge is made for the diamond. If the stone selected by a patron is not an authentic diamond, a consolation prize will be awarded.

"There is no limit to the number of times a person may pick a stone," Mr. Spiegel said. "The 'diamond hunt' will continue for one week.

Cucamonga Central P-TA Meets Today

Cucamonga's Central School P T A will hold its first meeting of the school year today, 2:30 p. m., at the school, Mrs. Henry W. Klusman, publicity chairman, announced this week.

Mrs. Stacy Haines Claimed by Death; Services Saturday

Death came Wednesday morning to Mrs. Adda Marion Haines, wife of Stacy Haines, at their home, 937 North Campus avenue, at the age of 77 years.

A native of Washington Crossing, Pennsylvania, Mrs. Haines came to California 40 years ago and had made her home in Upland for 32 years. She was a member of the Upland Methodist church.

Surviving besides the husband are a daughter, Mrs. Marion Burke of Fontana; one son, Nelson W. Haines of San Bernardino; a sister, Mrs. Enola Meredith of Greenwood, Del.; five grandsons, five granddaughters and six great-grandchildren.

Funeral services will be held Saturday morning at 10 o'clock at the Upland Methodist church with the pastor, Dr. Ralph W. Lee, officiating. Interment will be in Bellevue cemetery.

Mrs. D. C. Moore, 660 Pine street, was admitted to San Antonio hospital for medical care.

The Newspaperman's Code

The News Grateful for Help And Cooperation Of So Many People

In observance of "National Newspaper week", beginning today, we are publishing a creed that has been with us for many years. It has been published here on previous occasions as follows:

I believe in the profession of journalism.

I believe that the public journal is a public trust; that all connected with it are, to the full measure of their responsibility, trustees for the public; that acceptance of lesser service than the public service is betrayal of this trust.

I believe that clear thinking and clear statement, accuracy and fairness, are fundamental to good journalism.

I believe that a journalist should write only what he holds in his heart to be true.

I believe that suppression of the news, for any consideration other than the welfare of society, is indefensible.

I believe that no one should write as a journalist what he would not say as a gentleman; that bribery by one's own pocketbook is as much to be avoided as bribery by the pocketbook of another; that individual responsibility may not be escaped by pleading another's instructions or another's dividends.

I believe that advertising, news and editorial columns should alike serve the best interest of readers; that a single standard of helpful truth and cleanness should prevail for all; that the supreme test of good journalism is the measure of its public service.

I believe that the journalism which succeeds best— and best deserves success—fears God and honors man; is stoutly independent, unmoved by pride of opinion or greed of power, constructive, tolerant, but never careless; self-controlled, patient, always respectful of its readers but always unafraid; is quickly indignant at injustice; is unswayed by the appeal of privilege or the clamor of the mob; seeks to give every man a chance and, as far as law and honest wage and recognition of human brotherhood can make it so, an equal chance; is profoundly patriotic while sincerely promoting international good will and cementing world-comradship; is a journalism of humanity, of and for today's world.

Rather than emphasize the value of a local newspaper in the community as might be fitting in this special week, we prefer to express our appreciation to the many hundreds of families in Upland, Alta Loma, Cucamonga, Etiwanda and Ontario, who regularly turn to The News for "all their local news".

The most important member of The News staff is the subscriber. We mean it—a subscriber is a member of the staff of this paper. Without subscribers, and readers, there would be no newspaper.

Hundreds of persons help in publishing the newspaper. Their friendly cooperation in providing "news tips" is a vital factor in the week-to-week production of so much community news. And many people are generous with their comments about the paper, praise and constructive suggestions—all of which are very helpful in trying to better serve this wonderful district.

Your local newspaper is an instrument of this community which helps people to know and understand one another better. It is the principal means of bringing vital issues and practical suggestions to public attention; it is a channel through which groups and individuals may express their views.

Actually, a good newspaper makes for a good community.

See People Moving? Make Your Own Story of What is Happening

When you see a trailer heavily loaded with furniture or a moving van filled with household goods, do you ever try to make a story out of the situation?

It might go like this; "the head of the family has been given a promotion and with great enthusiasm, all people concerned are looking ahead to a new life in a new community."

Sometimes, the story might be in reverse; "The bread-winner lost his job and, unable to find suitable work in California, the family has packed everything possible into the family car and is heading 'back home'."

On every major local highway on every day of the year there can be seen evidence of people moving from one location to another. It is refreshing to let one's imagination develop the story in each case, based on the fleeting glance of the speeding, over-loaded car, the bulging trailer or the huge van.

Such reflection on the moving vehicles and the story back of each gives reassurance to one who is permanently and happily situated in his own home and in the work he likes. Usually, families do not move unless there is good reason—either a new life in bigger opportunities or a forced change because of working and living conditions.

Many families move into the state, hundreds of them every day. In this district there is daily evidence of people speeding to their new California homes, each person anticipating the new life in the great west. And then, we see packed cars going east. Make your own stories of the passing parade of traveling humans—coming and going.

Pennies Earned or Saved Make Or Ruin People - and Government

The Washington News recently ran this thoughtful little editorial; "Some of the greatest fortunes ever accumulated in this country were built on nickel and dime articles, even penny items. Yet, in most cases, the profit margin on each item was exceedingly small, a tiny fraction of the selling price. The secret was in the volume.

The U. S. government is the biggest business in the world, so there is no lack of volume. Pennies saved in volume will knock out deficits just as effectively as penny profits in volume will build up fortunes."

Mass distribution is as important to our living standards as its partner, mass production. And much of mass distribution's success has resulted from an unremitting war against waste and unnecessary overhead costs. The savings are passed on to the consumer in the form of lower prices or better goods.

As The News implied, applying this idea to our incredibly costly government is necessary if the budget is to be balanced and eventual tax reduction made possible. Waste can ruin a family or a business—and government as well.

Higher Percentage of School Age People Cause County Problem

In San Bernardino county there is a larger percentage of school-age population and a smaller percentage of adults than any other county in the state.

The 1950 census of population in California showed that about 20 per cent of the state's population was between five and 20 years of age. Over 20 years of age was 69½ per cent of California's population, the tax paying group.

In this county, however, only 66 per cent of the population was over 20 years of age. Likewise, 23 per cent of the county population was of the school age group.

"What does this mean?" asks the San Bernardino County Taxpayers association. "Obviously, it means that this area has a smaller percentage of taxpayers and a larger percentage of school children. Therefore, the taxpayers of this county face more serious school problems than the state average."

School property taxes account for more than one half of all property taxes levied in the county. The taxpayers association commends the educational system in the county for operating at a lower per-pupil cost than the state average. It is emphasized, however, that due to the large number of young people in the county, the school burden is greater upon the taxpayers.

This is the only suggestion from the association:

"School officials should be extremely careful in preparing their budgets and building programs to insure the most efficient use of taxes and to hold costs down to absolute necessity."

What Are Your Suggestions For Improving Upland?

It should happen every week—interested people giving a constructive look at their own community—and writing suggestions to the city hall or to The Upland News on where improvements might be made.

The Associated Property Owners association recently made a tour of Upland and noted deficiencies in the city. The city council will officially get a report on this tour. A summary of the analysis was published in The News last week. A constructive approach to local improvements is very wholesome and very welcome to all people concerned.

What will be the result? Action will follow—eventually. If enough local people want certain good things, their goal will be realized as far as possible.

Verl Haynes, president of the Associated Property Owners, has set a good pattern in making his report public.

Individuals or groups might do likewise. While Upland is outstanding for many reasons there are always improvements that can be made. Some eyes see some things and other eyes see other things.

What do you think might be done to make this community a better place in which to live?

This is success: To be able to carry money without spending it. To be able to bear an injustice without retaliating. To be able to do one's duty even when one is not watched. To be able to keep at the job until it is finished. To be able to make use of criticism without letting it whip you.

Small Blazes Occupy Firemen

Six small blazes kept Upland Fire department busy Wednesday through Sunday, according to Chief Howard Paulin.

Over two acres of grass burned along Eleventh avenue north of Arrow highway Friday afternoon, and two children freely admitted setting the fire with matches taken from their home. The mother of the two small tots told fire fighters that the children had previously set fire to a windbreak when the family resided at Alta Ioma.

Three small fires whose causes are unknown called out the firemen Sunday, with the first at 2:25 a.m. being a pile of junk auto seats at Henry's Service station, 1006 East Ninth street. At 10:20 a.m. the firemen answered a call to a fire in the leaves along a windbreak on the vacant land between Campus avenue and the Thirteenth avenue city limits.

A pile of old railroad ties on the east side of Upland Feed and Fuel company warehouse along the Pacific Electric railroad tracks, between Third and Fourth avenues, was reported to the firemen at 6:27 p.m. The previous day, at 1:10 p.m., a fire in the storage yard of this same warehouse required the fire fighters' services. A total of $30 in damage to the property was reported by Chief Paulin for the Saturday blaze.

Wednesday, Sept. 23, a brush fire along the roadway of the vacant land of Pearl Matson in the 1100 block of East Foothill boulevard was also extinguished by the Upland Fire department.

Seldon M. Kruger, chairman, National Jewish Youth Conference: "The goal of the Russian leaders is world conquest, nothing less."

Lions Honor Olson, Others

For getting 12 men to join the Upland Lions club, C. Ernest Olson was given a master key award, one of the highest possible honors by the local club at an "awards meeting" Thursday. He was presented a master key, a wall plaque and a gilt master membership card, in recognition of his record. He is the only member of the club ever to win such an award.

The plaque and master key were suitably engraved and Norman S. Lawson, a past president and charter member, presented the awards. Many other awards were also presented by Mr. Lawson to other club members. The unusual list of awards was presented in the presence of Charles Baker, Riverside, district governor. Joe Seitz, president, presided.

Three new members, Elwin Alder, Ted Atwood and Dr. John MacFarlane, were inducted by Mr. Baker.

Other awards were given to the following: Harold W. Cook and Vernon V. Paine, 25-year-monarchs; Howard N. Mason, 20-year monarch chevrons; Dr. M. C. Barnes and Clinton Thompson, five year perfect attendance buttons; Henry M. Busch, L. A. Fox, Ronald McLennan, Ralph Scott and Leigh Thompson, key member awards. Key awards are given to members for getting two new members of the club.

Dr. Rufus Oakey was made an honorary member of the club. Placed on the inactive status as "retired pioneers" were the following: Mr. Lawson, Everett W. Henry, Earl Johnson, R. Frank Lemon and Leigh Thompson.

Wife, Sons Join M-Sgt. Burr

M/Sgt. Rollin T. Burr, son of Mrs. June Burr, 1237 East Ninth street, was joined recently by his wife, Mrs. Dorothy Nelson Burr, and their two sons, Roger, and Rollin Jr., at his station with the U. S. Air force in the Philippines. Mrs. Burr and sons made the trip from the U. S. aboard the USNS Charles D. Barrett.

Sergeant Burr, who has been on his present tour in the Philippines since November of 1952, is assigned to Clark AFB, 60 miles north of Manila. He is not a stranger in the Islands having served there from Oct. 1938 through November 1940.

The Sergeant entered military service in 1934 and during World war II was stationed in the European theater of operations. He served three years at Westover Air Force base, Mass., prior to his departure on his present assignment.

The Burrs are making their home in the housing area for military dependents on Clark AFB during their stay in the Philippines. They formerly made their home in South Hadley Falls, Mass., and Mrs. Burr and sons visited in Upland this past summer before leaving for the Philippines in August. Russell S. Burr, 1237 East Ninth street, is a brother of Sgt. Burr.

"Four more Kaisers in our family!"

Every year's a Kaiser year for the Neeleys, all owners of new '53 Kaisers. Successful dairy farmers, 3 owned Kaisers before... the fourth just switched to Kaiser.

"Finest cars made!" say the Neeleys. Father and three sons have just bought four new '53 Kaisers.

Perhaps you associate Kaiser's suave styling with great city fashion centers, where it has won more international style prizes than any other American car—14 in all.

But many of Kaiser's 730,000 delighted owners are to be found in the farm areas, like the Neeleys of Iowa, as well as in the cities. And for good reason.

Kaiser dependability—A farmer knows the Kaiser won't let him down. Its waterproof ignition and automatic engine warm-up are on the job in foulest weather. Its oversize clutch and bridge-braced body withstand years of heaviest usage.

Kaiser comfort—Country miles bring out the best in a Kaiser. It is roomier than three of the most expensive cars. Its airplane-type springs and lowest center of gravity make the Kaiser ride as smooth as the Neeleys' creamery butter.

Kaiser economy—In city or country, you can enjoy Kaiser's unmatched luxury at *less than small-car costs!* 28.8 miles-a-gallon economy at 30 m.p.h. proved by a "Motor Trend" road test! See your Kaiser dealer and get the facts.

3 transmissions—Standard, Overdrive* or Hydra-Matic*, *plus Kaiser's new, lower-priced* ***Power Steering****

**optional at extra cost*

"Four Kaisers in our family, too", says E. S. Cleveland, California garage owner. "For economy of operation and performance, they can't be matched. No question about it, they're the best engineered car."

9 Kaisers—929,000 miles! That's the record of Louis Prante, Cody, Wyoming, wholesale newspaper dealer, who has been driving Kaisers 325 miles *daily* since May, 1947, without major repairs.

Special deal if you trade this month!

Cash in on Kaiser's dynamic new $62 million expansion program by trading for a new Kaiser this month. Your Kaiser dealer is backing this program with extra-special trade-ins. See him today, and save!

Listen to *"Lowell Thomas and the News" Monday through Friday, CBS network. Sponsored by your Kaiser dealer.*

Sailor Held On Burglary Charge Reports Psychiatric Motive

Being held in San Bernardino county jail awaiting preliminary hearing Oct. 8 on a charge of burglary is James C. Paxton, a sailor with a discharge pending due to a psychiatric condition, who admittedly broke a glass display window at Johnson's Mens store, 167 East Ninth street, and attempted to take a sport coat from he merchandise dispaly late Friday night.

After breaking the window with a large rock, Paxton said he was reaching for the jacket when a large section of the window glass fell, striking his right arm and inflicting deep cuts.

The defendant also told investigating officers that he returned to his room at Upland inn and attempted to stop the flow of blood from his arm without success. He had left the Inn to find aid when he was picked up by the police patrol car.

Paxton first told officers he had been in a fight with two men and had rammed his fist through a plate glass window during the fight. He was taken to San Antonio Community hospital for treatment.

Checking his story, Seargent Waldo Owen, Sergeant Harlan Jackson, and Officers Ian Richardson and John McCarthy found the broken window and on investigating, discovered the window had been broken with the rock found inside the store.

Paxton later admitted breaking the window, telling officers he often gets the desire to destroy things and is unable to suppress the desire when drinking. He gave as explanation for breaking the window his desire to destroy something, and added that if he had been successful in pulling the coat out of the store display, he would have torn it up.

Stationed at China Lake Naval base, Inyokern, Paxton said in his written statement at Upland Police station that he did not believe he should be prosecuted on the burglary charge, as the theft of the coat was not his intention, but rather a psychiatric act. He urged that the court not sentence him as they would a burglar, but to provide punishment that would help him overcome his uncontrollable desire to destroy. He was arraigned in Justice court Monday and held to answer at the preliminary hearing Oct. 8.

CAREFUL CHILDREN have more fun in the long run.

Sierra Vista P-TA Carnival Saturday Is Family Event

Saturday is "carnival day" in Upland, with the Sierra Vista Elementray school Parent-Teacher association staging its annual carnival, the main fund-raising project of the year to finance all activities and projects of the Sierra Vista P T A.

From 3 p. m. to 8 p. m. the skating rink area of the Upland Memorial park will resound with the gaiety and colorful events of the festive carnival. Entertainment for the entire family is planned, including adults, youngsters and primary-age children according to Mrs. Leo Gassel, general chairman.

Proceeds from booths of the Boy scouts, Cub scouts, Girl scouts and Brownies will benefit the youth activities of these groups, while all other proceeds benefit the P T A projects, Mrs. Earle Casler, P T A president, said this week.

Room mothers will be in charge of booths providing entertainment for the children, assisted by other parents. Mrs. Clive Warner has been in charge of publicity for the carnival.

Dinner will be served at the carnival, with such delectables as tacos, beans, hot dogs, homemade pies, ice cream, coffee and soft drinks.

Each child in Sierra Vista and Upland Elementary schools will receive a complimentary ticket good for one recreational game at the carnival.

Kreigh Design Wins At Fair

Taking first premium ribbon and a $350 cash award at the Los Angeles County fair, Pomona, was the outdoor living room constructed by Kenneth Kriegh, landscape contractor, of Eighth street and central avenue.

Winning the first place award in the outdoor patio competition, as the medium of construction, the Kriegh entry featuring stone The display is built on a slight hill near the Floral building on the same location as Mr. Kriegh 1952 entry.

The only other entry of its type at the 1953 fair from the Upland area, the Kriegh outdoor living room features a waterfall and creek, a stone fireplace and flagstone table. The prize-winning begonias of Mrs. Mary Gillingwators, 1083 North Benson avenue, are used in the design. A set of patio dishes from Holts Hardware is also displayed.

Fifteen days of labor were required to build the attractive patio, according to Mr. Kriegh.

Manville Promoted To Cadet Sergeant At West Point

Stewart H. Manville, son of Capt. and Mrs. F. C. Manville, 7457 Buena Vista, Cucamonga, was recently promoted to cadet sergeant at the U. S. Military Academy, West Point, N. Y.

Rank in the Corps of Cadets is based upon military efficiency and the individual's aptitude for the military service.

Cadet Manville is a member of the Escort and Ticket committee, the French club and the Ski club.

A former student at the University of Virginia in Charlottesville, he entered the academy on a presidential appointment.

Why was Sunkist organized?

BIRTH OF AN INDUSTRY

It all started 60 years ago — back in 1893. Selling methods were haphazard. Fruit frequently was shipped to cities already over-supplied.

Or, fruit often remained on the trees waiting for a cash buyer. But cash buyers bought only when they thought the market was going up and could be sure of a profit.

It thus became obvious that growers needed to cooperate and set up their own selling organization.

That's how Sunkist was born. In the past 60 years, Sunkist members have pioneered every major advance in building a bigger, year 'round market for citrus fruit.

Survey Records Occupy Council

A number of records of survey kept the Upland City Planning commission in session for several hours Thursday night, with recommended changes in the zoning ordinance, presented by the City council, also requiring considerable consideration.

A record of survey submitted of the Euclid Park company for division of its property at 304 East Foothill boulevard, the site of the Shopping Bag market, was received and considered, and a letter mailed to the company for details as to provisions for parking for any new commercial enterprises.

Guy H. McClure, Pomona real estate dealer, represented Dr. and Mrs. Clovis L. McKibben, 1101 South Freemont avenue, Claremont, in presenting a sketch for a proposed record of survey for a five-lot subdivision proposed for the existing two lots between the Santa Fe tracks and Ninth street, immediately east of Benson avenue. The five lots would be approximately 129 feet by 883 feet in size. Approval of the Commission was given the tentative plan subject to dedication of 33 feet along Benson avenue for street right-of-way, with no improvement, and a contribution to the Storm Drain fund. The sketch presented showed two future east-west streets to be established in the subdivision.

Mrs. E. A. Holt's sketch of a proposed split of her property at Third place and Eleventh street was recommended to the City council, subject to formal application, dedication of an alley to run parallel to Eleventh street and dedication of ten feet on Third place.

In order to sell her home located in former citrus acreage on East Fourteenth street, Mrs. Edmarie Francisco submitted a record of survey. The planners recommended approval by the council subject to recommendations of the Engineering department requiring a bond for curb and sidewalk installation within two years.

Also recommended for approval subject to contribution to Storm Drain fund was the record of survey of Frank White for a portion of his lot at Eleventh street and Fifth avenue, to be divided into two lots, 72.5 by 151 and 67 x 151.

Don Gibson, 1095 West Arrow highway presented a sketch of his proposed record of survey between San Antonio and Mountain avenues on the north side of Arrow highway. Two lots have already been cleared from Mr. Gibson's grove. The new addition would require a seven foot widening of Arrow highway, the Council indicated in giving general approval to the plan as shown by the Engineering department.

The planners recommended the Upland School board not attempt to expand the proposed Eleventh Street Elementary school to the west, but to expand to the north, and therefore requested the board not to base any plans at this time on not dedicating a half-street on either the east or west side of the present school property.

Generally concurring with the recommendations of the City council, the planners approved the addition of provisions to the proposed Zoning ordinance allowing electric sub-stations in commercial zones; rezoning from industrial to multiple dwelling the property of Howard Cutler at Thirteenth avenue and Ninth street; and changing the individual filing fee for rezoning from $10 to $15.

Motions from the Commissioners regarding the Zoning ordinance provide for rezoning the property of Consolidated Rock company south of Arrow highway and west of Central avenue, with the rezoning to affect different portions of the property according to its location; changing from special to multiple family dwelling zone the Mike Elardi acreage on West Arrow highway, between Palm and San Antonio avenues; and zoning the area between Euclid and Palm avenues, from Eighth street to Euclid place, for multiple family residences.

Chairman William Kistinger presented a provision for addition to the Zoning ordinance, submitted to him with a petition signed by 15 residents. The matter was delayed for action by the City council. The provision read as follows: "That concurrently with the issuing of a permit by the city, the owner of the land shall grant to the city an easement on the frontage to a depth of 45 feet for service road, parking and sidewalks, in all cases where a permit is sought for a building on property not previously improved."

Medical Bag Recovered

A medical bag stolen from the parked auto of Dr. Robert Redner, 350 Buena Vista, Cucamonga, at the San Antonio Community hospital physicians' parking lot Sept. 11 was recovered this week and several items from the bag were also recovered.

San Bernardino County Sheriff's office returned the bag to Upland Police department Tuesday after finding it in their district Saturday. Later the same morning, a small vial case was brought to the station by officers who discovered it while searching the Old Baldy Canyon area.

A week previous, another case containing vials was found by a young boy in the general area of Hogsback and turned into the Pomona Police department, who also returned the case to the local police.

The medical bag of Dr. Gordon W. Hodges, Ontario, taken from his auto at the hospital the same afternoon, has not been recovered.

Euclid Singers Meet Monday

Euclid Community singers who are heard annually in a presentation of Handel's Messiah, will meet for their first general meeting to begin preparations for the fifth annual concert and to welcome new members Monday evening, 8 o'clock, in the home of the director, Mrs. W. J. Hutchinson, 203 West G street, Ontario.

This group, under the leadership of Cordelia Story Hutchinson was formed five years ago by local people who enjoy group singing for the purpose of promoting and participating in choral work, and to provide opportunity for promising vocal talent of the community.

All interested persons are welcome to attend the Oct. 5 meeting, Mrs. Hutchinson states.

Five Young Farmers Represent Chaffey In Fair Judging

Five Upland boys are among the group of Chaffey Young farmers to represent their school in the judging at the Los Angeles County fair Saturday.

Three teams will be the first to represent the newly formed chapter of the college agriculture club. The Uplanders and their judging classifications are as follows: Jim Crandall and Jack Delman, livestock; Dick Fettel, dairy cattle; Homer Losson and Ronald Fullner, poultry.

They will compete with teams from California Polytechnical college at San Luis Obispo and at San Dimas, Orange Coast, Mt. San Antonio, Fullerton and Santa Ana.
